National Federations have also identified second string of sportspersons mostly the Juniors who are to be trained for various International competitions leading to 1996 Olympic Games. Annual coaching and competition programmes for senior and juniors have been drawn up in consultation with the National Federations.

(b) As a part of strategy, Long Term Development Programme (LTDP) have been drawn up consisting of identification of talented sportspersons, arranging coaching and competition programmes within and outside the country.

Efforts are being made to provide scientific support through experts in Exercise Physiology, Sports Psychology, Sports Biomechanics, Sports Medicine Sports Anthropometry and Sports Massage.

Indian National Commission

2192. SHRI RAJNI RANJAN SAHU: Will the Minister of HUMAN RESOURCE DEVELOPMENT be pleased to state:

(a) the contributions of UNESCO in the formulation and execution of the programme of the Indian National Commission;

(b) what are the reasons for insignificant progress;

(c) whether Indian National Commission continue to provide effective intellectual inputs in NUESCO's programme; and

(d) if so, what are the achievements thereof?

THE DEPUTY MINISTER IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT (DEPARTMENT OF EDUCATION AND DEPARTMENT OF CULTURE) (KUMARI SELJA): (a) and (b) The Indian National Commission for Cooperation with UNESCO does not have programmes of its own. The Indian National Commission is an advisory, coordinating and liaison agency at National level which encourages country's participation in UNESCO's programmes. It is the Indian National Commission which contributes to the formulation and execution of NUESCO's programmes and not the other way around.
